6<sup>th</sup> February 2012

Dear S6 Parents and Teachers,

## **S6 Parents' Café : Preparing Children for Studying Abroad**

Parallel to the 2<sup>nd</sup> Parenting Seminar: "Developing Career Path for Children: Parents' Role" as detailed in a separate circular, we are glad to announce that the PTA Parent Education Group is organizing a more focused but casual sharing session called S6 Parents' Café exclusively for S6 parents whose children are applying for overseas studies, with a view to helping you better prepare your children to meet their unprecedented challenge of studying abroad. We have invited experts and friends with relevant first-hand experiences to share with us some tips in supervising/supporting children studying abroad.

Getting overwhelmed by flooding or confusing hard facts? Wondering where to get reliable information, how to make the right choices and what to do next? You are not alone. Take a break and meet others. Reach out and share one another's aspirations, worries, feelings, findings, experience, knowledge and views while pondering the right paths for your loved ones.
